

Classroom Central

The PTA is so excited to partner again this year with a locally based organization, Classroom Central, to provide our students with school supplies for next year. Classroom Central was founded in 2002 with the mission of providing needed supplies to students and teachers in the great Charlotte area. This pairing allows us to . . .

- ✓ Offer an immediate reduction in costs for brand name school supplies
- ✓ Offer more options for ordering
- ✓ Maintain the convenience of having supplies delivered directly to school
- ✓ Support a local not-for-profit

Classroom Central is offering school supply kits that contain the supplies each grade's teachers require conveniently put together and delivered to the appropriate campuses. When you order a Classroom Central kit your child's supplies will be sitting on their desk ready for them on the first day of school. This year two kit options will be available for you to order for your student:

Student Kit – includes items essential for you student to have for their individual success

Classroom Kit – this kit contains items that the class needs as a whole to be productive

Please note our hope is with the lower costs all families are able to purchase a student kit for their student(s). If you are able, please order **BOTH** a student and classroom kit to ensure your child's class has all the materials they need.

For questions please email lindsayboner@hotmail.com (if before June) or jenna.kisiah@gmail.com (if June or later)

There are two ways to order. All orders need to be received by **May 25th for paper order & May 29th for online!**
